Clients often ask us about how to get the most out of a board meeting. Too often, time is lost at board meetings when directors spend their time discussing topics that could be better handled through email or a consent agenda. A strategic board agenda would use strategy as the basis to inform discussion and decision-making. We recommend a four part agenda addressing:

1. Discussion of mega-issues
2. Review and adjustment of strategy
3. Policy: public and operational
4. Routine board business.
